

PHASE 2: SR 124 to McNary Pool

Four-Laning US Highway 12

Purpose

Improve safety, decrease congestion, and enhance economic vitality

Project Description

Add one additional lane in each direction for a total of four lanes

Project Cost Estimate

Total: \$12.0 million

Construction Timeline

Start: Spring 2005

Finish: Fall 2005

**IT'S YOUR NICKEL.
WATCH IT WORK.**

This project is funded in part by the 2003 Legislative Transportation Funding Package. The main source of funding is a 5¢ increase in the gas tax. The package also includes an increase in the large truck gross weight fee and a 0.5 percent vehicle sales tax.

Safety Features

- Limit cross traffic by reducing the number of intersections and private access points
 - Close the intersections at Maple Street and Basin Drive
 - Construct a frontage road to provide access to Maple Street and Basin Drive
- Improve the intersections at Humorist Rd. and Hanson Loop Road
 - Revise the traffic signals at Humorist Road
 - Add acceleration and deceleration lanes at Hanson Loop Road

Impacts to Traffic

- Traffic delays are expected to be minor during the construction of this project
 - Two lanes of the highway will remain open during most of the construction
 - There may be lane closures for work at intersections
 - Periodically, brief delays are expected to occur as construction vehicles enter and leave the work area
